When paying through the bank write the patient's registration number on the deposit slip and pay to the University Hospital of The West Indies ensure that the "HOSPITAL" is emphasized when telling the patient or patient's relative if not when making payment the payment will go to the school and not the hospital, After payment has been made inform the patient that they can either call us at 8769700415/876977-0600/876977-3170, to inform us of the payment so their account can be updated or come in with the receipt(s) to show proof of payment.

Third Party Transfers

Patients who wish to pay online instead of going into the bank may do so using the above account numbers by adding the University Hospital as a bill payee or beneficiary. Once payment has been made patient may send a copy of the transaction receipt to compliance@uhwi.gov.jm or yonique.bennett@uhwi.gov.jm.

Paymaster and Bill Express

Patients can pay at paymaster or bill express if they wish not to join long lines in the bank, with these two methods they do not need to call or come in with the receipts because they are updated once we have received payments.
